General Notices.

MICHIGAN CENTRAL R. R.

SPECIAL NOTICE.

We beg to inform the public generally that the damages which this Road has sustained by the late freshets in Michigan, have been entirely repaired.

All trains will resume regular trips from Thursday, March 12.

Despatches from the Great Western and New York Central Railways assure us that their lines are entirely free from obstruction, and that trains are making prompt time and reliable connections.

Pullman's Palace Cars, running through from Chicago to Rochester, will be attached to Fast New York Express, leaving Chicago at 4:10 p. m. every day.

1,000 ACRES OF LAND,

BEING THE

CATARACT MILLS,

In Owen County, Indiana, Five Miles from the Chicago & New Albany Railroad, Near Cloverdale Station.

The property is situated on both sides of the Mill Creek, and is known as the Cataract Mills property. The Mill is a two-story frame building, with three run of stone, and has a capacity of 300 barrels per day. The water power is unsurpassed in the State, and is sufficient to run all the machinery in the Mill at all times. The Mill is in good repair, and is now doing a good business. There is a Saw Mill on the property, with a capacity of 5,000 feet per day. There are also a Carding Machine, Cooper Shop, Blacksmith Shop, and Dwelling House on the property. There are 200 acres of timber on the property, and a large amount of Coal. The property is offered for sale on favorable terms. For further information address the undersigned, at Cloverdale, Indiana.
